

MOVING TO 5700 STONY ISLAND FORM

***** This form is only for non-Stony Island residents of the House System*****

If you are going to reserve a room (or are thinking about reserving a room) in Stony Island during the In-House or General Lottery:

1. Fill out this form and have your current RHs sign it prior to the Stony In-House or General Lottery.
2. Give this form to the staff member taking your reservation at the time of the Lottery, along with your housing contract/re-application card. **No reservation will be allowed without the simultaneous submission of this form and the housing contract.**
3. **If you currently live off-campus**, you have to complete the Stony Island form, and secure the signature of your former RH(s) in order to move into Stony Island. If your former RHs are no longer at the University, please contact the Office of Undergraduate Student Housing and we will work with you.

It is the responsibility of prospective 5700 Stony Island residents who plan to pull in roommates from elsewhere in the House System to inform their prospective roommates of these procedures, and to ensure that all the prospective occupants of a Stony Island apartment have completed this form.

Extra forms are available through your Resident Heads or from the Office of Undergraduate Student Housing, or on the housing website to download and print.

If, during the academic year, you move to Stony Island because you are being pulled-in or because you have received a General Waitlist offer:

1. Fill out the form and have your current RHs sign it before you turn in your room change paperwork to the housing office.
